

QUEER SUPER POWERS

Discover your **superpower** in being **LGBTQ+**

A ONE-HOUR INTERACTIVE WORKSHOP

We'll use superheroes (or supervillains!) as a metaphor to **explore one of your unique superpowers**. You'll learn to tell the story of your superpowers, and will come away with an action plan on how you can **bring more of this superpower into your daily work and life**.

WHY

To fortify and celebrate our strengths and our resilience and be witnessed in community.

I have never thought
about queerness as
a superpower ...

... but **wow!** I really
am a superhero!
